Dear Jess

Variations to West Midlands Police and Crime Plan

Thank you for your letter and statutory report on the proposed variations to the West Midlands Police and Crime Plan.

I have discussed your helpful comments with the Chief Constable and have amended the Plan to reflect these in particular references to the knife surrender, the youth action plan, the neighbourhood watch action plan and forthcoming volunteers in policing summit.

I apologise for the late submission of the draft Plan for your consideration however I do hope that appreciate the tight timescales that we are working to and the large amount of effort involved in producing the first variation to the plan. Your comments have been noted and the Office will endeavour to have future reports with you allowing for publication 5 clear working days before your meetings.

Yours
